1. The drawings of 17 December 2003 are hereby accepted as FORMAL.
2. The following is an examiner's statement of reasons for allowance:

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicants' claimed method of independent claim 1 particularly characterized at least by the claimed method steps of "determining well monitored regions and sensor holes in each sensing field"; "determining the sensing ability characterization of the network sensor arrangement"; "visually displaying the sensing ability characterization"; and "selecting at least one sensor network arrangement based on the sensing ability characterization" taken together and taken in the overall context of independent claim 1.

Dependent claims 2, 3, 8, and 9 are allowable for at least the reasons for which claim 1 is allowable.

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicants' claimed apparatus of independent claim 4 particularly characterized at least by the claimed "determination application, circuit or routine ..."; "characterization application, circuit, or routine ..."; "display device ..."; and "selection application, circuit or routine ..." taken together and taken in the overall context of independent claim 4.

Dependent claims 5, 6, and 10 are allowable for at least the reasons for which claim 4 is allowable.

None of the prior art of record either taken alone or taken in any possible combination would anticipate or would tend to render obvious Applicants' claimed method of independent claim 7 particularly characterized at least by the claimed method steps of "a determination mechanism that determines well monitored regions and sensor holes in the network sensor arrangement"; "a characterization mechanism that determines a sensing ability characterization ..."; "a display device that visually displays the sensing ability characterization"; and "a mechanism that selects a network sensor arrangement based on the sensing ability characterization" taken together and taken in the overall context of independent claim 7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
